Colored DOTS

By R. Q. Lawing

The reunion service conducted by the First Baptist church has demonstrated a great deal of enthusiasm among the people of the county and neighboring churches. Each service was well planned and carried out in a very satisfactory manner.

The pastor, Rev. J. J Washington in his introductory sermon gave the theme and the purpose of the service, i. e. to renew and recreate our fellowship to the church and our Master, Jesus Christ. The theme was beautifully followed through the entire service by each minister.

The service closed Wednesday night with Rev. H. H Cabbel, pastor of the Mount Airy Baptist church. The treasury of the First Baptist church was swelled by the sum of $40.00.

Appomattox Loses to Farmville

The Appomattox 'gangsters' played their first football game of the season last Friday evening against the Farmville eleven. The game created a great deal of interest among the spectators all the way through. Farmville made two touchdowns in the first quarter and one in the second quarter. After the first half, Appomattox came back on the field with the spirit of fight. Farmville did not gain any yards during the third quarter. The last last quarter was hard fought. Appomattox gained the ball in Farmville territory and carried it across the field in beautiful manner. Jasper West, former captain, made the touchdown. The game closed with the score 6 to 18. The game will be returned soon.

Plan Farm Exhibit

The members of the New Farmer of America organization are getting things in shape for their second farm exhibit at the Training School November 8. Each boy will have a exhibit of his supervised farm program. The public is invited to attend.

Briefs and Personals

Rev. A. E Jordon attended his church service at Cronet Sunday.

Rev. F D Yates, of Gallice church Mrs. Lucy Stevens, Misses Mildred Hart, Hester Stevens and Lillie Clayton were dinner guests last Sunday in the home of Mrs. Thomas Tibbs.

New Olds Is Announded

Oldsmobile today announced two 1936 models, the Oldsmobile Six and the Oldsmobile Straight Eight.

"Truly quality cars at remarkably low prices" is the way they were described by C. L. McCuen, Oldsmobile president and general manager, in making the announcement.

Every proven mechanical feature which adds to comfort, safety, economy or performance is engineered into the 1936 Oldsmobiles, he said. Style leadership is maintained and augmented by a smart, new design and luxurious interior appointments.

"Oldsmobile in 1936 is characterized by every feature which adds to the quality of an automobile," says Mr. McCuen. "The exterior beauty speaks for itself, keeping Oldsmobile far in the forefront in style streamlining."

Principal among those features which are found on the new Oldsmobile are:

Super hydraulic brakes, self equalizing and self energizing, which stop a car swiftly and surely and smoothly.

Knee action wheels which smooth bumps from the road, permitting the same comfortable ride for passengers in the rear seat as is given those in the front seat.

Solid steel "turret top" body by Fisher, providing protecting walls of steel above, below and on every side.

Safety glass standard equipment throughout in all models.

Center control steering, giving an ease of handling impossible under any other steering system.

Ride stabilizer, which "straightens out the curves" by eliminating car sway whil erounding turns at high speed.

Hardened aluminum alloy pistons, electrically treated to make them far harder and more durable than those fashioned from ordinary aluminum. These pistons reduce oil consumption minimize carbon deposits, lengthen bearing life, and greatly lessen the possibility of scoring cylinder walls.

Smooth engine performance, materially improved by the use of light weight pistons in conjunction with an especially heavy counterweighted crankshaft, and tri cushion engine mountings on rubber banded to steel.

Increased gasoline economy through improved method of spark control.

An anti percolating device which prevents gasoline in the carburetor float bowl from being forced through the manifold after a long run on hot weather.

Weight distribution so that all passengers ride comfortably between the axles.

All silent syncro mesh transmission, with quiet, easy shifting in all years.

Striking new design, sweeping in one graceful curve from bumper to bumper, marks the new 1936 Oldsmobile.

Oldsmobile in 1936 presents an entirely new treatment of the room and without sacrificing any of Oldsmobile's identifying characteristics.

IN MEMORY

So early in the morning of September 9, 1935, the hand of Mystery and death entered our home and took from us our dear father, Frank Blair Wolford, aged 55 years. He leaves to mourn their loss, his wife, one son, one daughter, and one little granddaughter, two children preceeding him into the grave, from beyond which no traveler has ever returned.

He joined the Lutheran church about twenty years ago and when in his right mind lived a Christian life. He remarked on the day before the end that "People judged the outside of him, but that God knew his heart." He was good and kind-hearted, always ready to forgive and help those by whom he had been offended.

With aching and bleeding heart we looked upon the cold form that once held his pure spirit, yet we bow in humble submission to the will of Him who is too wise to err, and too good to be unkind.

Not in anger, but in mercy and wisdom, He called us to pass under the rod. And though we groan beneath the lash, may each stroke bring us nearer the Cross, and help us to recognize the still small voice that whispers: "What I do thou knowest not now, but thou shalt know hereafter."

It is hard, but God's ways are always best.

Because they withstand every test. Oh may we trust in the great love of God that passeth all understanding, "For we know in part, but when that which is perfect is come, then that which is in part shall be done away.

Let us say with all our hearts, God lives and all is well.

—His daughter.

IN MEMORY OF MISS DEANE JOHNS

Whereas death has taken from among us one of the initial members and vice president of the Appomattox Garden Club, this club wishes to bear testimony to the love and esteem in which she was held by the members and community at large. Although a woman of advanced age, she never lived in the past, but was actively interested not only in the work of the club, but in all civic interests as well.

Resolved: that we ever cherish the memory of the one we knew and loved while living and will mine her presence and counsel now that she is gone.

Further be it resolved: that as her aesthetic nature manifested itself in the creation of one of the beauty spots of Appomattox, namely the flower garden facing Hotel Appomattox, where the bloom of added color and charm to that part of town, and a delight to the passers by, that we do all in our power to have the garden maintained in memory of her.

Be it resolved that a copy of these resolutions be entered in the minutes of the club and a copy sent to the family.

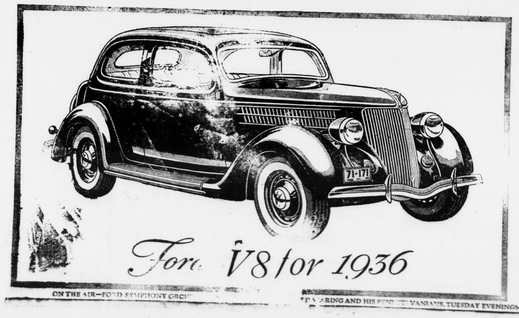
"The best thing I can do for the country is to create industry by building good motor cars."
FROM AN ADVERTISEMENT SIGNED BY HENRY FORD IN AUGUST, 1921

Thank you, Mr. FORD..

for the finest V-8 we've ever demonstrated



Authorized Ford Dealers

Backed by over 2,000,000 V-8's, the 1936 Ford V-8 brings you:—

25% EASIER STEERING—the result of two new roller-type bearings; longer steering knuckle arm and an increased steering ratio.

SUPER-SAFETY BRAKES—with exceptionally large braking surface (166 sq. in.). The last word in smoothness of operation.

EASIER, SYNCHRONIZED SHIFTING AND STILL QUIETER GEARS—silent, helical gears for all speeds in the transmission.

NEW DRAWN-STEEL WHEELS—enhance the car's beauty—are easier on tires.

$510 AND UP, F.O.B. DETROIT
Standard accessory group including bumpers and spare tire extra. Easy terms through the Universal Credit Co., Authorized Ford Finance Plan.

WE'VE demonstrated lots of new Ford cars. It's been *fun*, because Fords have always lived up to every claim we made for them. But there's a *new* note in the public's attitude to the 1936 Ford V-8. Everyone in our showrooms exclaims: "It's the best looking car you *ever* sold!" So we're *proud* of this 1936 Ford V-8. We believe it the finest car at its price ever built in America. We're proud of its ability to *prove its own superiority.*

This Ford has the *constantly improved* V-8 engine that powers over *2,000,000* Fords. *Also*, you'll find new beauty of line and color, easier steering and gear-shifting, quieter gears, and many other improvements as soon as you *drive* this new V-8.

Let us arrange a demonstration today.

Lady's Painful Trouble Helped By Cardui

Why do so many women take Cardui for the relief of functional pains and monthly times? The answer is that they want results such as Mrs. Herbert W. Hunt, of Hallsville, Texas, describes. She writes: "My health wasn't good. I suffered from cramping. My pain would be so intense it would nauseate me. I would just drag around, so sluggish and 'dopey.' My mother decided to give me Cardui. I began to mend, That tired, sluggish feeling was gone and the pains disappeared. I can't praise Cardui too highly because I know it helped me." . . . If Cardui does not help YOU, consult a physician.

Sharon Church Has Celebration

Sharon church in Buckingham county has just received congratulations on her birthday. One hundred years have passed over her members since first they banded themselves together as a body of baptized believers to function as "Sharon church" and while no birthday candles were lighted, a mighty host of birthday cakes were baked and members, once members, descendents of members, first cousins of members, etc., all the imaginable relations, and their friends, came driving up to the stately old building on a recent Sunday morning to join hands, voices and appetites in the activities of the celebration.

Rev. Jere Reeves, pastor for 14 years, (and no church ever had a more faithful one) spoke most appropriately on the necessity of bearing fruit, as a nation, church and individual, if they were to continue to live, using the text: "Cut it down, why cumbereth it on the ground" at the morning service. A historical sketch of the old church was given by a member.

Several selections were rendered during the day by the Arvonia band was served on the grounds.

In the afternoon, Rev. Winfrey Davis, of the Mt. Zion field, took the text: "Jesus Christ, the same yesterday, today and forever." This was also applied to the occasion.

The organization which was to be called Sharon was set up on March 29, in the year 1835, at what was then Goosenberry Meeting House. Two congregations had been meeting in the northern part of the county, one at Piney Grove and the other at Goosebery, and it seems to have been the merged congregations that met at Goosebery that long ago day. Anyway, they agreed to call the church "Sharon" and meet at Piney Grove. Rev. P. P. Smith and Rev. W. W. Moore were present and Rev Moore was called as pastor. He must have served only a short time, for soon we find that Rev. T. N. Johnson is serving as shipherd, and for about 17 years, he led the flock. Rev. Johnson was a greatly beloved minister, who was pastor for long periods of time at several different churches in Buckingham and Appomattox.

Enonville

Enonville, Oct. 30.— Mrs. C. L. Jones celebrated her 64th birthday on Sundayy October 20, Her daughters, Mrs. Anderson and Mrs. Jennings, of Lynchburg, were with her. Her sister, Mrs. J. J. Bussey, also of Lynchburg was another guest. She received many useful gifts.

Don't Prolong The Agony!

Next time you suffer from Gas on Stomach, Headache, Sour Stomach, a Cold, Muscular, Rheumatic, Sciatic or Periodic Pains; That Tired Feeling, That "Morning After" Feeling. Get a glass of water and drop in one or two tablets of

Alka-Seltzer

The New Pain-Relieving, Alkalizing, Effervescent Tablet

Watch it bubble up, then drink it. You will be amazed at the almost instant relief.

It is called Alka-Seltzer because it makes a sparkling alkaline drink, and as it contains an analgesic (Acetyl-Salicylate) it first relieves the pain of everyday ailments and then by restoring the alkaline balance corrects the cause when due to excess acid.

After trying many brands of medicines—so-called relief for gas, and all of them a failure, I gave up hopes. By chance I tried Alka-Seltzer—I am more than satisfied. Geo. Bennett, New York, N. Y.

Get a glass at your drug store soda fountain. Take home a 30 cent or 60 cent package.

How your MONEY WORKS FOR YOU IN A *Checking Account*

When you put your money in a savings account you get interest on it. In a checking account you get service for it—and let the bank draw the interest. In return for this interest the bank gives you privileges worth far more to you than the interest itself.

When you maintain a balance commensurate with your use of your checking account privileges, the bank will be reimbursed for the expense of serving you. Otherwise, the bank may properly look to you to meet this expense.

Money in a checking account is an investment that pays you real dividends.
